

St. Aedan and St. Brendan Bulletin Information

Because of the many requests we receive from various organizations not affiliated with our parishes, we are unable to provide space in our bulletin or allow inserts from such organizations.

All announcements for the bulletin must be submitted to staedan@sbcglobal.net no later than 10am Monday morning. Any items submitted later than the deadline will be placed in a later bulletin.

Any changes to the deadline are listed below.

Inserts/Stuffers: Requests for inserts must be made at least 2 weeks prior. A publisher or Word file of the insert must be provided no later than the Tuesday prior and emailed to staedan@sbcglobal.net.

We cannot guarantee that graphics included with any submitted hardcopy insert will be included.

Please do not make the copies to be inserted. As much as we appreciate the gesture, we cannot guarantee that those copies will be used as the final insert. All insert copies will be made by the office.

The office reserves the right to edit as it deems necessary any announcement or insert/stuffer submitted.
